PIANC YP-Com

6th Biennial Technical Visit

Sydney & Cairns, Australia, June 15-21, 2017

**Will Glamore, YP-Com ViceChair Asia-Pacific
on behalf of PIANC YP-Com & PIANC Australia YPs**

6th Biennial Technical Visit

Theme: Working with Nature

In-line with PIANC initiatives of WwN, PTGCC, Sustainable Ports & Dredging Sustainability. Focused on navigation sustainability and environmental risk-related issues.

Key issues:

- Navigation sustainability in urban and pristine environments (Rivers, Ports and GBR)
- Dredging and sustainable dredging disposal (Abbot Point)
- Sustainable ports & sustainable growth.
- Adaptation to development and climate change (various)

6th Biennial Technical Visit

What's to become of our Reef?
